

Should investors increase allocation to Australian real estate?

Join us in Tokyo for an exclusive seminar hosted by the AJBCC's Real Estate Advisory Committee.

Held at the prestigious Tokiwabashi Tower, this must-attend event offers valuable insights for investors looking to expand their allocation to Australian real estate.

Enjoy a special keynote presentation by Sameer Chopra, Pacific Head of Research, CBRE followed by an expert panel discussion.

After the seminar, Mitsubishi Estate Asia invites you to an exclusive tour of the Tokyo Torch project – Japan's future tallest building – and a walking tour of Marunouchi's prime office district.
